Notice No. 11-23

Date: August 08, 2011

Install Electric Pumps
at Lock 6, Allegheny River and Lock 7, Allegheny River

1. To All Whom It May Concern: Notice is given the U.S. Army Corps of Engineers will install electric driven hydraulic pumps at Lock 6, Allegheny River, Mile 36.3 and at Lock 7, Allegheny River, Mile 45.7. The work at Lock 6, Allegheny is scheduled from August 22 thru September 2, 2011 and at Lock 7, Allegheny from September 19 thru September 30, 2011.
2. There may be some intermittent lock closures during the work periods.
3. Install of the electric pumps is being done to replace the existing turbine-driven hydraulic pumps, which are in very poor condition.

FOR THE DISTRICT ENGINEER:

//Signed//
James R. Fisher
Chief, Operations Division
